

Rick's Personal Island Tours

“Norfolk Island, Just For You”

Experience Norfolk Island with *Bounty* descendant, biologist and writer: Rick Kleiner. Each tour is tailored to your individual interests or discover new ones. Whether its history, natural history, local crafts and industries or adventures off the beaten path, this is Norfolk Island just for you.

These tours are for the discerning traveler preferring to travel in small, more personable groups. You'll be picked-up at your accommodation and driven in modern, air-conditioned comfort. Rick will take his love and knowledge of Norfolk Island and over 15 years experience in Norfolk's tourism industry to create unique and memorable experiences. Each tour includes a delectable morning or afternoon tea.

Choose from these specialty tours:

'Round The Island Tour:

3.5 hours

This is the ideal introductory tour of Norfolk Island. You'll visit “must-see” spots such as Mt. Pitt, St. Barnabas Chapel and the World Heritage Listed Kingston area, as well as places the other introductory tours simply don't go. We'll cover the Island's history, economy and ecology along the way.

Mt. Pitt & Mt. Bates to Captain Cook Nature Walk:

3.0 hours

Emphasising the natural history of the Norfolk Island National Park, join the longest guided walk on Norfolk. Start from our two highest points (and biggest views) through several ecosystems to the beautiful coastal scenery of the Capt. Cook Memorial; approx. 3.5 km long. A delicious continental breakfast and vehicle will await you there. Tues. & Sat. only; min. of four people.

Convict Norfolk Island:

3.5 hours

A comprehensive, personal tour of Norfolk's infamous Penal Colony era, including walks through the Goal, Convict Hospital, Military Barracks, and Cemetery. This tour, as well, offers the flexibility to focus on particular areas of interest, if desired. Learn first-hand the human story behind the cruelty, including attempts at reform and the rare acts of kindness.

Norfolk Craft & Graft Tour:

3.5 hours

Visit in their home-studios one of our finest traditional weavers and then one of our best woodworkers. Next meet the people behind a new, innovative nursery and grafting centre and finally have an exclusive tour of Norfolk's Museum of Technology. This is the only tour of its kind. Sun. afternoon only; min. of four people.

Photographic/Island Adventure Tour:

3.5 hours

Take the roads less travelled. This is for those who've been here many days or many times and are seeking to enhance their Norfolk visit with experiences from off the beaten path. Based on what you haven't yet seen, we'll create an itinerary unique to you that day.

All tours are \$90 per person. Morning tours begin at 8.30am, except for the Nature Walk, which begins at 7.30am. Afternoon tours start at 1.00pm. Restricted diet? Just let us know a day in advance. Group and family rates are available for all activities. For more information or to book a tour, please contact the Visitor Information Centre, your accommodation operator or:
